

Breathe new life into Victoria street

From paper lanterns to bánh cuốn everyone loves the colours and flavours of Victoria Street.

But how do we keep the best parts of the street while improving the parts that need refreshing?

We have formed the Victoria Street Working Group and together we will strengthen the safety, peace, and prosperity of Victoria Street for everyone.

You live and work here, you know what makes Victoria Street tick.

And that's why the Victoria Street Working Group needs you.

Your ideas. Your opinions.

Talk to VSWG today.
